

## VISTA SERIES TITAN ENGINEERING SCREEN

Meki Titan Engineering Screen is the best solution for theaters and other large-scale demonstrations sites. It is designed for both indoor or outdoor stages. Meki TES uses Pro-Matte white screen fabric, and the maximum width is up to 12 metres. It is equipped with a heavy duty bottom bar which stabilizes and keeps the screen to remain flat at all times, without deformation. Comes with built-in high quality silent tubular motor and built-in receiver.

### CONTROL SYSTEM
